Pharmata

AIMS AND SCOPE

Pharmata is a scientific, open access, online-only periodical published in accordance with independent, unbiased, and double-blinded peer-review principles. The journal is an official publication of the Atatürk University, and published quarterly in January, April, July, and October. The publication language of the journal is English.

Pharmata aims to contribute to the literature by publishing manuscripts at the highest scientific level. The journal publishes research articles, reviews and short communications that are prepared in accordance with ethical guidelines.

The scope of the journal includes but not limited to pharmaceutical analysis of complex system, quality control and methods of biotech drugs, action mechanism and their metabolisms in body, quantitative and qualitative analysis in the drug screening process, molecular pharmacology, biopharmaceutics, pharmacognosy, pharmaceutical botany, pharmaceutical technology studies, clinical laboratory and bioanalysis, the pharmacological studies, the toxicologic studies, analytical chemistry techniques and methods, new biochemistry methods for pharmaceutical analysis, rapid screening methods, new analytical techniques and methods, pharmaceutical chemistry, synthesis and analysis new drug molecules, others: pharmaceutical solid materials (including biomaterials, polymers and nanoparticles) biotechnology products (including genes, peptides, proteins and vaccines) engineered cells.

The target audience of the journal includes researchers and specialists who are interested or working in all fields in the journal's scope.

The editorial and publication processes of the journal are shaped in accordance with the guidelines of the International Committee of Medical Journal Editors (ICMJE), World Association of Medical Editors (WAME), Council of Science Editors (CSE), Committee on Publication Ethics (COPE), European Association of Science Editors (EASE), and National Information Standards Organization (NISO). The journal is in conformity with the Principles of Transparency and Best Practice in Scholarly Publishing (doaj.org/bestpractice).

Pharmata currently indexed in EBSCO.

All expenses of the journal are covered by the Atatürk University. Processing and publication are free of charge with the journal. No fees are requested from the authors at any point throughout the evaluation and publication process. All manuscripts must be submitted via the online submission system, which is available at <https://www.pharmata-ataunipress.org>. The journal guidelines, technical information, and the required forms are available on the journal's web page.

Disclaimer

Statements or opinions expressed in the manuscripts published in the journal reflect the views of the author(s) and not the opinions of the editors, editorial board, and/or publisher; the editors, editorial board, and publisher disclaim any responsibility or liability for such materials.

Open Access Statement

Pharmata is an open access publication, and the journal's publication model is based on Budapest Access Initiative (BOAI) declaration. All published content is available online, free of charge at <https://www.pharmata-ataunipress.org>. Authors retain the copyright of their published work in the Pharmata. The journal's content is licensed under a Creative Commons Attribution-NonCommercial (CC BY-NC) 4.0 International License which permits third parties to share and adapt the content for non-commercial purposes by giving the appropriate credit to the original work.

From January 2023 onwards, content is licensed under a Creative Commons CC BY-NC 4.0 license. The journal's back content was published under a traditional copyright license however the archive is available for free access.

You can find the current version of the Instructions to Authors at <https://pharmata-ataunipress.org/>.
